**Subject:** Opening Conference for CSB Investigation into TPC Group Port Neches Operations facility incident

Greetings,

On Monday, December 2, 2019, the CSB Investigation team will be on site conducting its investigation into the November 27, 2019 incident at the TPC Group Port Neches Operations facility. We would like to conduct an opening meeting with all stakeholders at 8:00 am. The location of the meeting will be as follows:

Ford Park Pavilion  
Office Complex, 1st Floor, Liberty Room  
Beaumont, TX

A formal Outlook calendar invite will also be sent to all invitees. The CSB looks forward to meeting and working with you all.

*Harold "Butch" Griffin, PE, PMP*  
Chemical Incident Investigator  
U.S. Chemical Safety & Hazard Investigation Board
